HISTORIC 17-MILE DRIVE: A ROAD WORTH TRAVELING

For more than 100 years, historic 17-Mile Drive at Pebble Beach Resorts has been one of the country's most popular landmarks. For a nominal entrance fee of \$9.50 per vehicle (waived for guests of Pebble Beach Resorts), visitors can embark on an exciting journey of exploration and discovery. The Drive wends counter-clockwise from Pacific Grove along the coastline to Pebble Beach and the outskirts of Carmel, then back through Del Monte Forest.

Along the way visitors can:

- Visit The Lone Cypress, one of America's most recognized landmarks and the most photographed tree in the world. Set on a rocky promontory, this classic California landmark, estimated to be somewhere between 200 and 300 years old, has become the trademark of Pebble Beach Company.
- Watch spectacular sunsets fronted by the rocky shore below and backed by magnificent Del Monte Forest.
- Stop by The Lodge at Pebble Beach, home of world famous Pebble Beach Golf Links, and enjoy the Resorts' fine dining, shopping facilities and exquisite views of Carmel Bay.

By the time visitors have completed 17-Mile Drive, they will have heard capricious seals barking and white surf crashing onto beaches of pure sand. They will have felt the fresh salt spray, traveled through stands of stately Monterey Pines, marveled at the Pacific Coastline and discovered that spectacular 17-Mile Drive is a road well worth traveling.
